

Winery and Scenic Tour

Join Barry on a relaxing personalised tour, taking in some of the best the Hastings has to offer. We will pick you up at approximately 9am from your accommodation and take you on a fantastic day.

Firstly we head south with the views of Tacking Point Lighthouse along the white sands of Lighthouse Beach.

Then we travel past the crystal clear shallow waters of Lake Cathie and take in the elevated coastal views through Bonny Hills.

North Haven is where we stop for a delightful morning tea at The Sandbar Café overlooking the Camden Haven River.

We then take the scenic climb up North Brother Mountain, to capture the view north to Port Macquarie and south to Crowdy Head, whilst directly overlooking the breathtaking Camden Haven.

Moving on to lunch at our first Winery Inneslake Vineyard, where you can taste some of their exquisite wines. Set amongst the panoramic views across the vineyard, you can unwind with a chosen bottle of wine to accompany your delicious lunch at the beautiful Little Fish Café*.

After lunch, we drive through the picturesque gardens of Cassegrain Winery to taste their wide range of premium wines, set in their spacious cellar door. Also available is a large selection of merchandise, together with some scrumptious local produce.
